Under the Statute persons liable to pay taxes imposed by the Assessment Acts are personally liable for the amount thereof, and all lands of such persons situate within the Province are also liable therefor. The taxes are a charge on such lands, having preference over any claim, lien, privilege or incumbrance of any party except the Crown, and does not require registration to preserve it.

The above sale will take place on Saturday, the 4th day of June, 1892, at the Government Buildings at 10 o'clock a.m.

No person shall encumber or injure any sidewalk, road, street, square, alley, lane, bridge, wharf, or other communication within the City of Vancouver with any animal, vehicle, or by any other means, or erect, place, or maintain therein any building or structure whatsoever: Provided, always, that this section shall not prevent merchants and others from the moving of goods, wares, or merchandise across any sidewalk with all reasonable dispatch for the purpose of taking in and delivering the same: and provided, also, that this section shall not extend to the occupying, in accordance with the provisions of this by-law, but not otherwise, of a portion of the sidewalk or street for building purposes.

2. Where any house or building is being erected, built, or repaired on the line of any public street or way, or within seven feet thereof, there shall be erected a boarded fence, six feet high, to enclose the sidewalk allowance in front of such building to the width of six feet, and outside of such a fence a planked pathway shall be laid, at least four feet wide, for the convenience and security of the public; or it shall be lawful, instead of such fence or pathway, to plank over the whole of the scaffold at the height of the first floor above the ground, and to enclose such scaffold at the same height at least eighteen inches all around above the level of the planked floor aforesaid, the sidewalk of the street being left free for the public use; and it shall be the duty of the person erecting, building, or repairing such house or building, and the contractor or other person employed in doing the work, to see that the provisions of this section are carried out.

3. No person shall place any lumber, stone, chips, shavings, rubbis<sup>b</sup>, or other building material whatsoever on any sidewalk; and when buildings are being erected on any street, no person shall be allowed to occupy more than one-third of the roadway with any such building material where the roadway is not occupied by the street railway, and in that case not more than one-fourth shall be occupied by the building material, and no person shall place any stone, lumber, or other building material in such manner as to obstruct the free passage of water in the drains, gutters, or water-courses; and no person shall suffer or permit any such building material to remain on the street any longer than is, in the opinion of the Board of Works,

absolutely necessary for the erection of the building for which such material is designed; and every such person shall, on the completion of the building, within three days entirely remove the same from the street, and cause the street to be cleared from all such building material and left in good repair. Permission may be granted by the Board of Works for the occupation of the roadway for the purpose and in the manner mentioned in this section.

4. No person shall break, tear up, or remove any planking, pavement, sidewalk, crossing, curbing, macadam, or other road surface, or make any excavation in or under any street or sidewalk within the city for any purpose whatsoever without the permission of the Board of Works; and it shall be the duty of every person breaking, tearing up, or removing any planking, pavement, sidewalk, crossing, curbing, macadam, or other road surface, or making any excavations in or under any such street or sidewalk, as speedily as practicable, and under the direction and supervision of the City Engineer, to place, relay, and make good, and to put in as good order and repair as before, to the satisfaction of the City Engineer, every such sidewalk and street, and if the earth should settle, such person shall fill the same from time to time as may be necessary, and to the satisfaction of the City Engineer; and every such person, and the contractor or other person by whom the work is actually done, shall erect and maintain a good and sufficient fence, railing, or barrier around every excavation made by him, in such a manner as to prevent accidents, and shall place and keep upon such fence, railing, or barrier suitable and sufficient lights during the night, and take such further care and precaution as the City Engineer may deem necessary and direct for the protection and safety of the public, and shall, if required by the Board of Works to do so, indemnify the city against all damages or injuries that may be caused by such works to any person; and it shall be the duty of the Board of Works, before giving any such permission, to take from every such person security that he will perform all the obligations imposed upon him by this section.

At least ten days' notice of the time and place of nomination and of holding of the poll (if any) shall be given by the said Returning Officer; such notice to be posted during that period on the outer door of each school-house within the Municipality.

The Returning Officer shall, on the day of nomination, at noon, announce the names of the persons put in nomination in that behalf as candidates for the office of Reeve and Councillors, as prescribed by the "Municipal Act, 1892."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate, or agent of a candidate, applying for the same, a duly certified list of the names of the several candidates who shall have been nominated; and any votes given at the election for any other candidates than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place or places at which the poll shall be so opened in the Municipality, or in each polling place in the Municipality (as the case may be), for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held the candidates (duly qualified) who shall obtain the greatest number of votes shall be Municipal Councillors and Reeve respectively.

Every person qualified to vote shall have five votes, being one for each Councillor to be elected, and one for Reeve, but he may vote for any less number than five: Provided always, that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion, except for Reeve. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in the case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the candidates in equal proportion; such expenses shall not exceed in the whole one hundred dollars.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Municipal Councillor or Reeve, must serve for the term for which he

has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Reeve or Councillor shall be filled as provided by the "Municipal Act, 1892."

The first meeting of the Council shall be held on the first Saturday after the day of election, at Mission Public School, at 12 o'clock noon.

Until provision be made by by-law, in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Act, 1892," and all the powers, privileges, and duties of the Reeve and Council shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector, and Assessor, or such officers as they may deem necessary, who shall hold such office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.

IN TESTIMONY WHEREOF, We have caused these Letters to be made Patent, and the Public Seal of the Province of British Columbia to be hereunto affixed: WITNESS, the Honourable HUGH NELSON, Lieutenant-Governor of the said Province of British Columbia, in the City of Victoria, in the said Province, this second day of June, one thousand eight hundred and ninety-two, and in the fifty-fifth year of Our Reign.

By Command.

A. CAMPBELL REDDIE,
